

Amazon

Selling on Amazon is a way for individuals or businesses to reach millions of customers and sell their products online. To sell on Amazon:

- Create an Amazon seller account.
- List your products for sale on the Amazon marketplace.
- Set a price for your products and describe them in detail with photos and product information.
- Choose a fulfillment method (Fulfillment by Amazon, or self-fulfillment).
- Wait for orders to come in and fulfill them by shipping the products to the customers.
- Receive payment from Amazon, minus a selling fee.

Note: To sell on Amazon, you will need to comply with their policies and meet performance targets to maintain your seller account.
