

Create a 800 Number (Cheap)

To create a Twilio 800 number, you will need to sign up for a Twilio account and purchase a Twilio phone number.

Here's how you can do it:

1. Go to the Twilio website and click on the "Sign Up" button. Fill out the form to create a new account.
2. Once you have signed up, you will be redirected to the Twilio dashboard. From here, you can purchase a new phone number by clicking on the "Buy a Number" button.
3. In the "Buy a Number" page, you can search for a specific type of phone number. To find an 800 number, select "Toll-Free" from the "Number Type" dropdown menu.
4. Use the search filters to find an available 800 number that meets your needs. You can filter by country, area code, and other criteria.
5. Once you have found an available 800 number that you like, click on the "Buy" button to purchase it.
6. After you have purchased the 800 number, it will be added to your Twilio account and you can start using it to make and receive calls and messages.
