How to Use ASKTRA

Hi Everyone. Let's learn how to use ASKTRA by following Phil.

- 1. Business owner Phil, logs in and reviews the "GET STARTED" section. Here he finds this guide plus videos, examples, and tips for maximizing survey responses.
- TIP: Save your "Personal Survey Link as a browser favorite or bookmark. Open your Personal Survey Page and try it! It even includes your name.
- 2. Phil's <u>ASK</u> message is an email to his customer Elaine asking her to complete his one question survey. His note includes hyperlinked text, connecting his "Personal Survey Link to his "Personal Survey Page. Super easy! FYI, <u>ASK</u> messages can also be posted on social media and texts.
- 3. Elaine receives Phil's email, and happily submits her survey. Phil's receives an instant **TRACK** email displaying Elaine's results. Additionally, within ASKTRA Phil sees all his survey results. He can export them too.
- 4. Phil's <u>WIN</u>s by sharing with Elaine, "Referrals are welcome who can benefit from our expertise and you receive a 20% discount." Soon, her referrals become sales!
- TIP: Customers providing survey ratings of 7 to 10 are prime sources of new referrals. Review <u>"Results are In: What to Do."</u>
